11.- 12. September 2015

Air Challenge Styria 2015 Information for registered exhibitors (either AC Styria or Airchallenge Styria 2015 sponsor package required)

General:

The Airchallenge Styria 2015 and Kapfenberg Airfield welcomes all exhibitors. We want to make your presentation a joyful event and have set up some information for you:

Capacity:

Initially we plan to host about 20 to 30 exhibitors. Although we can expand this capacity to some extent, try to register early for the sponsor and convenience package).

Exhibitor Convenience Package:

The Exhibitor Package is available from Thursday September 9th until Monday September 14th.

The package includes a daily shuttle to the accommodation, accommodation (Turmwirt Mürzhofen) and breakfast. It does not include any services regarding the exhibition.

Rates:

One night per person in double room: € 40,-

Single room additional per person and night: € 15,-

Registration:

Please send an e-mail with the following data to office@flugplatz-kapfenberg.at and j.sieber@mfg-am.at:

Names of all persons attending
Company
Billing address
Types and number of rooms required
Date and time of planned arrival and departure
Special requests

Payment:

Directly upon arrival at the service counter in the administration container.
Maestro and major credit cards accepted.

Arrival and departure slots for Exhibitors presenting aircraft:

The airfield operating hours from September 10th to 14th are as follows:

06:00 – 17:15 UTC

Slots are required for:

September 10th and 11th from 12:00 to 16:00 UTC

September 12th from 07:00 to 15:00 UTC

Note that slots are very limited. If arrival is planned for the afternoon of September 10th or 11th, best chances for approval are between 14:00 and 14:30 UTC.

Airport specials:

Kapfenberg is located in an alpine surrounding close to the city. Careful evaluation and study of the approach charts is required together with adequate calculation of aircraft performance. The airfield is limited to 2000 kg actual landing or takeoff mass. If an arrival is planned with an aircraft exceeding that limit, a special permission is required.
